

Greetings,

The Stillpoint Productions Nutcracker Ballet is a beloved fixture of the Grants Pass holiday experience. Once again in residence at Southern Oregon Dance Studio, the production team is already laying the groundwork for an exciting 36th annual show. This Nutcracker is known throughout the valley for crafting fresh wonder and new surprises year after year. We are building on 35 years of community momentum and look forward to another season of full audiences at the Grants Pass High School Performing Arts Center in December.

I invite you to become a sponsor of our production. In return for your investment, your business name will be prominently displayed on our website, in social media posts, and in the playbill. Depending on the level of your support, your presence can range from a mention on our website and social media to a full-page color ad in our playbill. The playbill alone reaches approximately 3,000 potential customers over two weekends of shows, and your sponsorship can be written off as an advertising expense.

Your contribution goes toward necessary costume replacements and updates, props and prop maintenance, backdrop rentals, facility fees, and a technical crew, among other expenses. Because of businesses like yours, we are able to offer a special Opening Night price and extend deep ticket discounts to organizations such as senior living centers and subsidized student clubs so that this fine arts experience is accessible to as many members of our community as possible. No amount of support is too small, and we thank you in advance for your role in keeping this cherished tradition alive for years to come!

Thank you for considering this request. Here's to the prospect of gathering once more as friends and neighbors in the warm glow of holiday spirit.

Sincerely,
Penny King, stillpointster@gmail.com
